

Bailey's Chocolate Bunny Cocktail

Ingredients

Bailey's Salted Caramel (available at The Liquor Shed)

Cadbury Dairy Milk Easter Bunny

Brownes Choc Chill Milk

Tatua Dairy Whip Whipped Cream

G-Fresh Cake Delights Sprinkles

Method

Step 1

Gently unwrap the top of the ears of each chocolate bunny.

Step 2

Using a sharp or serrated knife, carefully remove the top of the ears with a gentle sawing motion & downwards pressure – as to not crack the chocolate bunny.

Step 3

Pour the Bailey's into a small measuring glass, then pour through the top of the bunny. Top up the rest of the bunny with the chocolate milk. Use a straw to mix the liquids together.

Step 4

Top up the bunny with whipped cream on top, followed by sprinkles.

Step 5

Insert a straw & enjoy!
