Coated Carrot Strawberries

Ingredients

Strawberry Punnet

Icing or White Chocolate

Queen Food Colouring (Red & Yellow)

Method

Step 1

Wash & dry strawberries.

Step 2

Mix red & yellow food colouring with either slightly melted icing or melted white chocolate until it forms a vibrant orange colour.

Step 3

Dip the strawberries into the coloured coating and place on either a board, wax paper or a drying rack to fully dry. Use a small spoon to drizzle a little extra coating across the strawberries.

(You can refrigerate to assist in the drying process).

Step 4

Serve & enjoy!
